Why is our area hosting “virtual” meetings via Zoom?
Our primary purpose is to carry the message to the suffering addict. But, the COVID-19 virus has resulted in the cancellation of many of our meetings. Virtual meetings via Zoom are a way to fulfill our primary purpose of helping others to get and stay clean while also continuing to participate in our own program of recovery.

“My gratitude speaks, when I care and when I share with others the N.A. way.”

What is Zoom?
Zoom is an online video and audio conferencing service that can be used with all internet-connected computers and mobile devices; it can be used with any browser and any operating system.

How much does it cost?
As a participant, Zoom is free.
*An account is not needed if you join a meeting using a browser.
*A free account is needed if you use the mobile app or the desktop client; you can sign up here, https://zoom.us/signup Note: You can use any email account, not just a work email account, or you can sign up with your Google or Facebook account.

Is my anonymity protected?
Yes, as long as:

were entirely ready to have God remove all these defects of character. 7. We humbly asked Him to remove our shortcomings. 8. We made a list of all persons we had harmed and became willing to make amends to them all. 9. We made direct amends to such people wherever possible, except when to do so would injure them or others. 10. We continued to take personal inventory and when we were wrong promptly admitted it. 11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out. 12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

I have nothing to fear. a new way of life. So long as I follow that way, thoughts will be on my new associations, better perspective on my life.

my thoughts will be on my recovery, living and enjoying life without the use of drugs.

THE TWELVE STEPS OF NARCOTICS ANONYMOUS

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable. 2. We came to believe that a Power greater than ourselves could restore us to sanity. 3. We made a decision to turn our will and our lives over to the care of God as we understood Him. 4. We made a searching and fearless moral inventory of ourselves. 5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs. 6. We were entirely ready to have God remove all these
